## Medical Coverage for your Out-of-Area Dependent

Do you have a college student who attends school outside of your service area? The Coventry Health Care Passport Program is designed for you!

With the Passport Program, dependents who are enrolled in one of our health plans and live outside the Coventry service area will now receive out-of-area coverage at the highest level of benefits for services that are obtained from providers that are in the Coventry Health Care National Network.

### Using the Passport Program

- √ Always present your Coventry member ID card so that providers can contact Coventry to verify coverage.
- √ Just like your in-network benefit, certain services require pre-authorization. Failure to obtain necessary pre-authorization will result in a reduction of benefits.

### Find a Provider

To find a participating provider, call Customer Service at the number listed on your Member ID Card.

### How to Participate

Please see the reverse side for instructions on how your dependant can participate in the Passport Program.

### Your dependent may be able to participate in the Passport Program if:

- √ eligible for dependent coverage as explained in your Group Agreement
- √ resides outside your plan's designated service area to live with a parent or attend school

*Please see the reverse side for instructions on how to enroll your out of area student in the Passport Program*
